MAXIMUM HEAT ENTRY GRID

Heats are limited. In the grid below, Column (A) represents the total number of heats that each teacher can do in the day for each dance. At your request, you can combine styles (for example, if you have 26 American Waltz entries, you may dance 8 of those with an International Waltz heat; however, please be aware that the tempo for those 8 entries will be at International Waltz tempo). Use the grid below as your guide when filling out entry forms. Amateur couples do not count towards grid.
