“So You Think PROFESSIONALS Can Dance”

Champion's Gala is proud to host its very own successful event- “So You Think PROFESSIONALS Can Dance”. This division is based on the popular TV show- “So You Think You Can Dance”, but the difference is that this is a category open to all forms and styles of dance, as long as a partnering is involved... So you might see a couple doing Ballet, Latin, Lyrical, Hip-Hop, or even Traditional Ballroom...

Please be advised that this division is a popularity-impression category, and winners will be voted by the public and media representatives.
